The conduct of Mr. Goudji can only be explained on
of ignorance of the f.R. where at page 28, Reg. 33
it is clearly laid down that an officer proceeding
on leave must inform the Head of his Dept. in
writing of the date on which he leaves his post.

The explanation that he was so sick and
tired on that particular day that he had to go
and not may be acceptable. He see the last of
his letter.

This matter is some 6 m (mum).

Your minute of 1.8.33 tells Dr. sets the case quite clear before him. Since then apparently Gordji effected the divorce.

The woman is now asking for a reconciliation with her husband on terms suggested by her at page 2 of her pet., or alternatively that Gordji should guarantee to her the payment of the two bills.

As for reconciliation we cannot act as intermediaries; as for guaranteeing payment so long as Gordji is in front. service this should afford her ample guarantee.

We cannot guarantee the payments that will
be due to his woman from Goudji if a divorce
takes place.

The position is this:

An order of divorce was given by the Rabbinical
Court.

The divorce is still not be enforced before the
wife asks for a certificate of divorce which is
given by the husband.

After that it becomes imperative on the
husband to pay her certain sums under
promissory notes.

She does not expect that he can pay
because he is otherwise indebted and unless
payment by him to her is guaranteed she will
not ask for the divorce certificate.

This man is in an embarrassed position and is
therefore, applying for his transfer from the fr.
as at (28 a).

As for his debts at present the amount
due is £. 97.- payable in monthly instalments.

The claim of his wife to the bills at (29) can only
come into force when she after one year from
the date on which he delivers to her at her
request a certificate of divorce which she has
not yet asked for and probably will not ask for
at all although she is divorced.

instalments of LP 2 each). LP 12 - 6

TOTAL LP 102.

His wife says that his debts amount to LP 120. He himself is in the Government Hospital in Jerusalem now where he is being ex-rayed by orders of the M.C. Haifa. I could, therefore, not question him.

3. Add to these debts which are at any rate not less than LP 100 the further sums payable by him to his wife on divorce which is LP 206, makes a total of over LP 300.

At present he is paying LP 3 p.m. alimony to his wife.

4. His total monthly obligations, therefore, are:-

- a) LP 3 alimony
- b) LP 4 to Abraham Azra
- c) LP 2 other debts.

Total LP 9 excluding Bank payments.

His salary at present is LP 10 p.m.

I understand that he is expecting some LP 100 from his parents in Baghdad. Otherwise it is not conceivable how this man can pay off his debts and provide for his living. If the divorce takes place he would be released from the payment of the alimony, but for the next two years he would be bound by promissory notes of LP 71.500 each payable to his wife which means LP 6 p.m. excluding any other debts.

5. I would suggest that:-

- a) a reply be given to petitioner as at paragraph 1. hereof;
- b) the matter of Gurdji's debts be now held in abeyance pending his return from Jerusalem when a complete enquiry will be made and the case put up to the Chief Secretary.

It is difficult to exact the truth of the complaint of Mrs. Loulou Gourdji as far as the relations between her and her husband are concerned. This aspect of the case has been dealt with by the Rabbinical Court over which Government has no control. The District Commissioner cannot, therefore, grant the request of petitioner in the last paragraph of her petition, viz, ordering the Rabbinical Court to re-issue a fresh judgment. If she wants security for the bills payable to her by her husband I think she must apply to the proper Court.

2. The District Commissioner's offices are, however, concerned with the state of indebtedness of Mr. Gourdji, a Grade "O"(III) Clerk in the office of the District Officer i/c Haifa Sub-District. As far as I could ascertain his debts are as follows:-

- a) To a certain Abraham Azra:
payable in monthly instalments
of LP. 4 each. Seizure on his salary
in respect of an instalment of
LP. 4 ordered by Court.

LP. 60 (his wife says
LP. 90).

Sir,

I have the honour to acknowledge the receipt of your letter No.39/246 dated the 2nd January 1934, on the subject of Mrs. L. Gourdji and to inform you that I did not promise to give Mrs. Gourdji any guarantee. In my letter to her of the 19th November 1933, I clearly stated that I am unable to give the assurance asked for and that I could only give priority to the settlement of the instalment of LP.71.500 mils if I were ordered to do so by a competent Court. This means that if Mr. Gourdji fails to pay an instalment on its due date and Mrs. Gourdji obtains an order from a competent Court for a deduction to be made from his salary, I would be required to comply with such an order.

District Commissioner,
Northern District,
HAIFA

Sir,

Following my letter of 23rd October, 1933, may I please be assured that my husband will remain in Government service despite the various debts he owes in town other than the £P.143 which he will be obliged to pay me under the terms of my divorce one year after it comes into effect.

Also may I ask your assistance that when the 1st instalment of £P.71.500 mils falls due it might be given preference on other debts and the arrangement made through your office without resorting to legal proceedings.

Thanking you in anticipation,

I beg to remain,
Sir,
Your obedient servant.

Haifa, 23rd October 1933.

The District Commissioner,
Northern District,
HAIFA

Sir,

Acting upon your instructions I have approached the Rabbinical Court of Haifa, for a written statement, attached hereto for your perusal, that my husband obtained a divorce and the same awaits collection by me at the said Court. I would observe that my husband used his best efforts to obtain a divorce which I cannot refuse and this fact refutes his statement to you that he is unable to obtain a divorce on account of my objection to it.

I have further made enquiries as to his debts in town and find that he owes the following amounts:-

Mr. Abraham Ezra Aaron	£P. 76
David Suleiman Za'rur, partner of my brother, Bill dated July 1924 is now in my possession	" 22
Arab Bank and other petty creditors	" 35
	£P.133

It will be remembered that my husband stated to you that in order to meet these debts he is arranging to fetch money from Bagdad. So far he fetched none and it is doubtful whether he will ever fetch any from that place or any other place, and all that he aims at is to put off matters in order to gain time at my expense and kill me by starvation. This is obvious by the fact that he obtained a divorce and denied it before you.

The terms of my divorce are that he should pay me £P.36 now deposited in the Execution Office of Haifa, and £P.143 to be paid to me in two equal annual instalments, the first becomes due one year after collection by me of the divorce certificate referred to above. You are aware, Sir, that my husband's salary is £P.10 a month and surely he cannot afford to settle all his debts amounting to £P.133 excluding interest thereon in one year, and then pay me in cash the 1st instalment of £P.71.500 mils. On the other hand I am in bad need of money and half the sum of £P.36 deposited in the Execution Office is not sufficient to pay off my obligations. I therefore beg to suggest the following alternatives which I think are the best for both parties:-

1. I prefer to be reconciled to my husband and undertake to return to him the SP.36 deposited in the Execution Office towards settlement of his debts to the Arab Bank and other petty creditors. My brother will also relieve him of the bill owing to his partner, now in my possession and there will only remain the debt owing to Mr. Abraham Ezra Aaron. The present arrangement of the Seizure of one third of my husband's salary may stand and I will manage his house for him with the balance of his salary provided he treats me humanly and decently. By this means he will be relieved of all his debts if he really means to follow a practical and reasonable way of solving his problem.
2. If he insists on divorcing me and whereas he is unable to pay me SP.143 in two equal instalments in the time they fall due, I humbly beg you that payment of these be guaranteed.
3. If he does not want to act on alternatives 1 or 2, I beg that he be ordered to pay me an alimony of SP.3 a month as I am unable to work on account of ill health and have no one else to look after me.

Apologising for all the trouble I have given you in the matter, I sincerely hope that you will give a poor woman's case its due consideration.

I beg to remain,
Sir,
Your obedient servant.

Lulu S. Gourdjji.

(14/10/11)

1. I would be responsible to my husband and children
to return to him the \$100 deposited in the National City
savings account of his name in the New York and other party
creditors. My husband will also believe him of the will owing
to his partner, now in my possession and there will only remain
the debt owing to my husband's sister. The present arrangement
of the balance of the third of my husband's salary and stand and
I will transfer his name for the with the balance of his salary
provided he treats me honestly and decently. By this means he will
be relieved of all his debts if he really means to follow a good
straight and reasonable way of solving his problem.

2. If he insists on divorcing me and wishes he is unable
to pay the \$100 in two equal payments in the time they feel for
I would not feel bound of these he understands.

3. If he does not want to act on alternative 1 or 2, I
can have the \$100 be entered to me as an interest of \$10 a month as
I am unable to work on account of ill health and have no one
else to look after me.

Apologizing for all the trouble I have given you in the
matter I sincerely hope that you will give a most warm and true
and the consideration.

I beg to remain,

Sir,

Your obedient servant,

Madam,

I have the honour to acknowledge receipt of your letter dated the 23rd October, 1933, and to inform you that I am unable to act as intermediary with a view to effecting a reconciliation between yourself and Mr. S. Gourджи.

With regard to the guarantee for the payment of the bills due by Mr. Gourджи to you, I regret that Government cannot give you the guarantee you ask for. As long as Mr. Gourджи is in Government service this should afford you a sufficient guarantee.

With regard to payment of alimony, this is a matter for the Rabbinical Court to consider.

Sir,

As directed, I respectfully beg to state that as already explained in my last statement, the amount I borrowed from Mr. Ezra Haron Abraham was £P.74 plus £P.15 as interest making in total £P.89 which I had deposited with the Execution Officer, Haifa as Ketuba of my wife as laid down in the judgment of the Rabbinical Courts. As agreed between me and the Borrower this amount should be paid by a small instalment of £P.4 p.m., but owing to my misfortune and inspite of the fact that my wife had no right for appeal, she lodged an appeal to the High Religious Court, of Jerusalem and I had to pay again for Advocates, fees, and travelling expenses etc. which made ^{me} delay two or three instalments to meet these expenses to which I ~~was~~ compelled to claim my rights against this wife who murmured my life since I married her. So at this he went to the courts and claimed the arrears of the debts there as I owing to my small limited salary I was unable to pay the instalment due and the arrears at the same time. To the Arab Bank I am indebted £P.7½.

Out of the above £P.89 I repaid £P.14 to the borrower.

I have received no summons from the courts on these debt for the past two months.

I have the honour to be,
Sir,
Your obedient servant.

[Illegible text]

Haifa, 25th August 1933.

Excellency,

7432
26 AUG. 1933
HAIFA 1828

You are aware that I am on bad terms with my husband Mr. Solomon Gourdji of your Excellency's Office. At first I used to receive from him a monthly alimony of £P.3. but unexpectedly this was stopped. My husband had told me that he obtained from your Excellency a recommendation to the Rabbinical Court, Jerusalem, to help him in the matter. I did not believe this until my advocate drew my attention to the reply from the said Rabbinical Court to your Excellency's letter in my case file which confirms my husband's statement. I am a poor and lonely woman more deserving of help and sympathy than my husband and although my claim is true and just it is being refused in the face of Heaven and Earth. If my husband really intends to leave me all that I ask for is that the payments he owes me be guaranteed.

There is now in the Execution Office £P.36. in my name but whenever I agree to take these I must consent to a divorce and as my husband is greatly in debt I do not think he will ever be able to pay me anything further.

I made once an attempt to work in order to live as I had no other source of living than my alimony and unfortunately my health broke down and my feet swelled and now I feel very weak and unable to work. Perhaps this is due to my weak constitution and the mental strain I have gone through the last three and half years. I attach a report from Dr. Nahshan of Haifa to that effect.

In the circumstances I sincerely hope that your Excellency will see your way to help a sincere, poor and forlorn woman out of her trouble. In the name of British gallantry I beseech your Excellency to do this for me.

Your obedient servant.

District Officer.
Haifa.

Sir,

About four years ago I submitted a complaint against my wife to the Rabbinical Court, Haifa asking for divorce as I was unable to continue this bitter life, any more with her.

The Rabbis after looking into my case gave judgment on 19.12.1930 that my wife should take her divorce from me after I pay her a certain amount as "Ketuba"

Although I complied with this judgment and paid ~~me~~ to the Execution Officer on 1.7.31 the amount specified in the judgment, my wife refused to take the divorce and appealed against the judgment of Haifa to the High Religious Court of Jerusalem. The question of the appeal and of the divorce prolonged about three years which forced me to spend large amounts for advocates and travelling expenses from Haifa to Jerusalem plus court fees for the purpose of defending my rights to get my divorce.

Owing to my limited small pay I was unable to cover all these huge and unforeseen expenses.

The matter ~~for~~ of the divorce has now reached the last stage and hope to get the certificate of divorce from the Chief Rabbinate in a few days.

I am expecting money from my parents in a month or six weeks time and hope to settle all my debts.

I have the honour to be,
Sir,
Your obedient servant,

Sir,

I respectfully beg to submit the following
application for favour of your kind consideration:

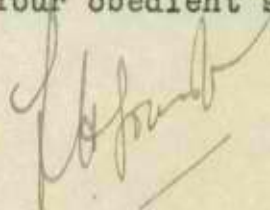

Owing to the fact that I am not living normally
in Haifa eversince I have been left alone by my
parents and whereas it is very hard for me to continue
life without having someone to care and look after
me, I humbly request you to arrange for my transfer
either to Jerusalem or to Jaffa where I have some

Sir,

As directed, I beg to state the following
for your kind and favourable consideration:

Having found that there will be no end to
this bitter life and suffering from the part of
my wife, I lodged a case to the Rabbinical Court
of Haifa asking for my divorce from her.

The above Court after dealing in my case
for a long time, admitted that my wife was to

that my wife should take her divorce from ~~my~~
me after I pay her LP.63. as part of her "Ketuba"
in cash at the time of the preparation of the
divorce and so long as I do not pay her this
amount I should be compelled to pay her alimony
of LP.3. per mensem.

2. To get rid of the alimony and obtain my
freedom from this woman, I took from a certain
man LP.73 plus 15 pounds interest and arranged
to pay him the above amount by small instalments of
LP.4 p.m. which I thought to pay it out of my
salary. But owing to my misfortune and inspite
of the fact that neither of us had the right to
appeal ~~especially~~ after the execution of the judgment,
my wife succeeded in lodging an appeal against the
above judgment to the High Religious Court. of
Jerusalem. Although her appeal was rejected by the
High Court after all, but this appeal costed

His Honour,
The District Commissioner,
Northern District,
HAIFA.

Sir,

I most respectfully beg to bring the following lines for your kind consideration:-

Before 13 years I have been married at Baghdad to my husband Mr. Gourdji Solomon; at that time I had in my own possession a sum of SP.700, after our marriage by a year and a half my said husband took the said sum which I had and after having enforced from me the above amount obliged me to follow him to any country he travels to, and I have to obey his ordered against the will of relations and left Baghdad with him for Damascus, on our arrival to this City he left me alone with no body nor any piaster and made his escape to Beyrouth not taking notice of me, and after I had taken legal steps I reached him and found him at Beyrouth in the company of some girls enjoying his time at his leasure drinking all kinds of drinks, eating the best food while I was starving.

After the above described tregidy he made his escape once more for Cairo just in the same manner he did it first and after a great efford I succeed to find him out again. Now all the money gone, left with no piaster to enable him to make his escape for the 3rd time and on considering our own bad situation then, I discover that we are almost starving so I had to write to my late father to assist us and in due course we have received a sum of SP.24, then we left Egypt for Haifa where he started working in the Police Station as a

clerk for ₪.6 monthly, imagine Dear Sir, how it was difficult to manage out our living ways out of ₪.6 ?

On 1931 my said husband has been appointed under your control for ₪.10 monthly - now he got enough money and he does not want to know his wife and in fact I have been sent away from his house cruelly with no means of supportance - Many time I had to fast for lack of expenses, many times I felt sick for many days and found no body to take care of me nor to visit me, after sometime I had to apply the Rabbanical Court and duly a judgment to my favour against him was given obliged him to pay me ₪.3 monthly as long as he does not want to abide with me, and during all the elapsed years and until last April I have been supporting myself out of this ₪.3.

Lately he went to Jerusalem and obtained a judgment on my default obliges me to divorce him against a sum of money amounting to ₪.206 which should he paid to me as follows:-

₪.16 cash together with ₪.20 in the execution office here and two bills of ₪.71.500 each, the first falls due after a year of our divorce and the second after two years without any security on these bills therefore and

Whereas my husband Solomon Gourdji is indebted to several debtors for huge sum of money as per judgment in the Execution Office of Haifa under files No.1366/33, 2628/33 and 1153/33 in favour of Mr. Ibrahim Ezra this is besides what the Ottoman Bank and others owes him, for these reasons I am sure I should be unable to collect any sum of money out of the bills value that he gives me the total of which is ₪.143, and

Whereas I am stranger with no any other supporter in my

world besides what I expect to receive from my husband on divorcing him or after, I most respectfully pray that your Honour may have mercy on me as a stranger woman with no means and to communicate with the Rabbanical Court here ordering them to re-issue a new judgment in which the sum that should be paid to me by my husband on our divorce may be secured by some body.

EXTRA'S

MADE IN U.S.A.

25D.
Jerusalem, 12th. May, 1933.

J U D G M E N T .

NO:159/1.

The High Rabbinical Court looked after the application brought in from the Sharia Court of Haifa for abasem-ent of the judgment given against Mr. Solomon Kourji of Haifa, ordering him to pay the amount that he promised to pay to his wife Loulou Kourji of Haifa as per our last order dated 6th. February, 1933 and after examining this matter we decide the following:-

Owing to the poverty of the Defendant Mr. Solomon Kourji and that he should pay an amount to his wife of L.P.100- against giving her a certificate of divorce, we dismiss our last judgment, referred above, and cansell the amount that he should pay over the sum of L.P.63- untill it becomes L.P.100-. We order now that Solomon Kourji must pay L.P.16- over the amount handed in the Execution Office now, adding to the whole amount L.P.6-. The total amount that he should pay to Mrs. Loulou Kourji will be L.P.206-. So Mr. Solomon Kourji had to add to the amount which is in the Execution Office of Haifa L.P.16- in cash and L.P.143- per two bills. The first bill of L.P.71-500mils will be for one year and the second bill for two years as from the date of divorce.

The said Loulou should agree to give her said husband a certificate of divorce in case he fulfill these conditions and he will be discharged from the judgment of alimony. In case he will not fulfill these conditions, he will be bound to pay an alimony of L.P.3- as ordered in our last judgment.

Sir,

I most respectfully beg to bring the following lines for your kind consideration:-

Before 13 years I have been married at Baghdad to my husband Mr. Gourdji Solomon; at that time I had in my own possession a sum of SP.700, after our marriage by a year and a half my said husband took the said sum which I had and after having enforced from me the above amount obliged me to follow him to any country he travels to, and I have to obey his order against the will of relations and left Baghdad with him for Damascus, on our arrival to this City he left me alone with no body nor any piaster and made his escape to Beyrouth not taking notice of me, and after I had taken legal steps I reached him and found him at Beyrouth in the company of some girls enjoying his time at his leisure drinking all kinds of drinks, eating the best food while I was starving.

After the above described tragedy he made his escape once more for Cairo just in the same manner he did it first and after a great effort I succeed to find him out again. Now all the money gone, left with no piaster to enable him to make his escape for the 3rd time and on considering our own bad situation then, I discover that we are almost starving so I had to write to my late father to assist us and in due course we have received a sum of SP.24, then we left Egypt for Haifa where he started working in the Police Station as a

clerk for \$6.6 monthly, imagine Dear Sir, how it was difficult to manage out our living ways out of \$6.6 ?

On 1931 my said husband has been appointed under your control for \$10 monthly - now he got enough money and he does not want to know his wife and in fact I have been sent away from his house cruelly with no means of supportance - Many time I had to fast for lack of expenses, many times I felt sick for many days and found no body to take care of me nor to visit me, after sometime I had to apply the Rabbanical Court and duly a judgment to my favour against him was given obliged him to pay me \$3 monthly as long as he does not want to abide with me, and during all the elapsed years and until last April I have been supporting myself out of this \$3.

Lately he went to Jerusalem and obtained a judgment on my default obliges me to divorce him against a sum of money amounting to \$206 which should he paid to me as follows:-

\$16 cash together with \$20 in the execution office here and two bills of \$71.500 each, the first falls due after a year of our divorce and the second after two years without any security on these bills therefore and

Whereas my husband Solomon Gourdji is indebted to several debtors for huge sum of money as per judgment in the Execution Office of Haifa under files No.1366/33, 2628/33 and 1153/33 in favour of Mr. Ibrahim Ezra this is besides what the Ottoman Bank and others owes him, for these reasons I am sure I should be unable to collect any sum of money out of the bills value that he gives me the total of which is \$143, and

Whereas I am stranger with no any other supporter in my

world besides what I expect to receive from my husband on divorcing him or after, I most respectfully pray that your Honour may have mercy on me as a stranger woman with no means and to communicate with the Rabbanical Court here ordering them to re-issue a new judgment in which the sum that should be paid to me by my husband on our divorce may be secured by some body.

HAIFA.

Jerusalem, 12th. May, 1933.

J U D G M E N T .

NO:159/1.

The High Rabbinical Court looked after the application brought in from the Sharia Court of Haifa for abasement of the judgment given against Mr. Solomon Kourji of Haifa, ordering him to pay the amount that he promised to pay to his wife Loulou Kourji of Haifa as per our last order dated 6th. February, 1933 and after examining this matter we decide the following:-

Owing to the poverty of the Defendant Mr. Solomon Kourji and that he should pay an amount to his wife of L.P.100- against giving her a certificate of divorce, we dismiss our last judgment, referred above, and cancell the amount that he should pay over the sum of L.P.63- untill it becomes L.P.100-. We order now that Solomon Kourji must pay L.P.16- over the amount handed in the Execution Office now, adding to the whole amount L.P.6-. The total amount that he should pay to Mrs. Loulou Kourji will be L.P.206-. So Mr. Solomon Kourji had to add to the amount which is in the Execution Office of Haifa L.P.16- in cash and L.P.143- per two bills. The first bill of L.P.71-500mils will be for one year and the second bill for two years as from the date of divorce.

The said Loulou should agree to give her said husband a certificate of divorce in case he fulfill these conditions and he will be discharged from the judgment of alimony. In case he will not fulfill these conditions, he will be bound to pay an alimony of L.P.3- as ordered in our last judgment.

IN THE HIGH RABBINICAL COURT OF PALESTINE, JERUSALEM.

Jerusalem, 6th. February, 5693 (Hebrew)

APPELLANT:- Solomon Kourji of Haifa, through his attorney
Haim Lotsenky, Advocate of Jerusalem.

RESPONDANT:- Loulou Kourji, through her attorney Allrab Benajel,
Advocate of Jerusalem.

SUBJECT :- Judgment from the (Ojj) Rabbinical Court dated 13th.
June, 5692.

An appeal was lodged before us against a judgment given from the (Ojj) High Rabbinical Court of Jerusalem dated 13th. June, 5692 between Solomon Kourji and his wife Loulou Kourji, after hearing the two parties we decide as follows:-

The High Rabbinical Court dismiss the appeal against the said judgment on condition ^{to execute} ~~that~~ the judgment of the Rabbinical Court of Haifa dated 26th. Kashlif, 5691 No.198, that the Rabbinical Court paid the amount which must be paid by Solomon Kourji to his wife Loulou Kourji amounting to L.P.200- He will pay of this amount L.P.100- in cash and L.P.50- as per bills for twelve months, and the balance of L.P.50- as per bills for twenty four months, and that a sum of L.P.52-260 mils be paid over the sum of L.P.47-740 mils endorsed in the Execution Office of Jerusalem paid by Solomon Kourji less the sum of L.P.100- which amount he should pay as per bills.

If he do not pay the said amount within a week's time from the date of his receiving this judgment he will be bound to pay an alimony from the date hereof untill full settlement of 3 Pound monthly.

Sir,

With reference to the secondment to Palestine of Mr. D. Headly, Malayan Civil Service, for a period of two years from the 3rd June, 1938, I am directed to inform you that under the terms of his secondment pension contribution is payable by the Government of Palestine.

2. The salary of Mr. Headly if he were serving in Malaya would be [£]£798 per annum from the 3rd June, 1938, ~~£~~ £840 per annum from the 2nd April, 1939, and £ 882 per annum from the 2nd April, 1940, and the pension contribution payable is 15% of his salary. I am to request that payment on this account may be made through the Crown Agents for the Colonies half-yearly to the credit of the Federated Malay State Government account.

I am, Sir,

Your obedient servant.

Ag. Malayan Establishment Officer.

The Honourable,
The Chief Secretary to Government,

Subject:-My Long Leave.

Under the Malaya Civil Service leave Scheme officers are granted home leave after not less than 3 years service. An Officer shall not ordinarily be required to do more than 4 years Service. I returned to Malaya on about 18.1.36. I came direct to Palestine on secondment for 2 years in June 1938. In the letter appointing me to Palestine it is stated that 3 months leave is granted after 18 months service.

2. Under the Malaya Scheme I should be due for leave any time between now and this time next year; but I am not certain if I am expected to complete 18 months from the date of my secondment to Palestine; if so I should not be due until December this year.

3. I am not certain how much home leave I accumulated in Malaya but it must amount to, over 3 months. After 18 months here I shall have earned another 3 months. I do not know whether Govt. will agree to my taking the whole of my earned leave at one time. If it is possible I should like to go on leave rather before December next year and if possible in October and I should, of course, like to take as much leave as I can. For personal and family reasons I should much prefer to take my leave in the winter.

4. I should be grateful if I could be told whether I can go on leave in October and if not how

soon after that date and how much leave Government
is prepared to allow me to take.

218/1-1939

5th June, 1939.

CHIEF SECRETARY.

Subject :- Leave Scheme 1939
Officers of the First
Division.

Reference:- My letter No.218/1 of
28th February, 1939.

With reference to the second paragraph
of my letter quoted above, the position in regard to
Mr. Headly's leave is as follows:-

Mr. Headly earned 126 days vacation leave
during his tour of service in Malaya from the 17th
January, 1936, to the 2nd June, 1938, (vide attached
copy of letter from Malayan Establishment Officer)
He then proceeded direct from Malaya to Palestine
on Secondment. He was informed in his letter of
appointment that he would be eligible for 3 month's
leave after 18 month's service, that is, presumably,
18 months at 4 days per month, plus 24 days travelling
time, i.e. 96 days.

By the 10th December, 1939, therefore, the
date provisionally approved for the commencement of
Mr. Headly's leave, he will be eligible for a total
period of 222 days.

The period of his Secondment to the Government
of Palestine is for two years in the first instance and
it expires in June, 1940. Leave of 222 days from the 10th
December, 1939, would not expire until the 18th July, 1940.

It appears, therefore, that even if local circumstances should permit him to take all the leave for which he is eligible, adjustment would be necessary in respect of the period after the expiry of this Secondment.

I would ask, therefore, that before a final recommendation is made as to the amount of leave to be granted to him, a decision be given as to whether his Secondment will terminate at the end of two years, or be extended for a further period.

26.7.39

District Commissioner,
Samaria.

I have spoken to Mr. Farley on the subject of my leave; he informed me that I have been recommended to go early in 1940.

2. I should be most grateful if Government could be asked to reconsider this recommendation. I understand that it is intended to send Mr. Newton to Tulkarm on his return from leave which will I understand take place at the end of October. I should therefore have to be transferred somewhere for the 4 and 5 months of my ^{term} ~~term~~ of service, which remain. This, as far as I am concerned would be inconvenient and expensive. Further I believe that Mr. Blenkinsop now stationed at Jenin will be due for leave in March next year. I very much want to have the winter in England for personal and family reasons and I have not the least desire to spend the spring and Summer at Home. I begin to feel ^{also} ~~out so~~ that I should like to go on leave as early as possible.

3. I should therefore be very grateful if Government would allow me to go on leave as soon after Mr. Newton's return as possible. I should then be due for some 7 months leave altogether. I should however be prepared to return to Palestine to finish my period of secondment in time to relieve Mr. Blenkinsop at the end of March or beginning of April 1940. At the expiry

GOVERNMENT OF PALESTINE

No.

Acceptance or not of a Secondment to Palestine for a further period of 2 years is governed by 3 considerations, that is to say personal preference, the possibility of advancement, and what, for want of a better term, might be called duty.

My personal preference is to return to Malaya where I have a large variety of interests and hobbies, where I know the people and the language fairly intimately and where as a result, I think I could do more useful work than I am doing here, and where the work of administration is more interesting to me than the work I have hitherto done in Palestine. I must also add that the salary to be paid is not mentioned in the Chief Secretary's letter and that the offer of only 3 months' leave after 4 years abroad in the Tropics and Palestine, to be followed by a further period of what will amount to over 2 years in Palestine before I get any more home leave, is not in the least attraction.

If I return to Malaya I shall, I think, obtain experience in more sides of Administrative work and particularly in Secretariat work, than I shall do if I remain as an Asst. District Commissioner in Palestine; and an absence of 4 years from Malaya between the age of 30 and 34 will, I think be of no particular advantage to me on my return to them.

Lastly however, there is the fact that I am a member of the Colonial Administrative Service and

1. The Government of India have received from the Government of the United Kingdom a copy of the report of the Committee of Enquiry into the circumstances surrounding the death of Sir John Wood, K.C., who died on 10th October 1944, while on duty in the Middle East.

2. The Committee's report is a lengthy and detailed document, and it is not possible to summarise its contents in a few lines. However, it is clear that the Committee has found that there was a serious breakdown in the communication system between the Government of India and the Government of the United Kingdom, and that this breakdown was the result of a number of factors, including the failure of the Indian Air Force to deliver a message to the British Government, and the failure of the British Government to respond to a message from the Indian Government.

3. The Committee has also found that there was a serious breakdown in the communication system between the Government of India and the Government of the United States, and that this breakdown was the result of a number of factors, including the failure of the Indian Air Force to deliver a message to the United States Government, and the failure of the United States Government to respond to a message from the Indian Government.

4. The Committee has recommended that the Government of India should take steps to improve the communication system, and that the Government of the United Kingdom and the Government of the United States should also take steps to improve the communication system.

5. The Government of India have accepted the Committee's recommendations, and have taken steps to improve the communication system. They have also taken steps to ensure that the Government of the United Kingdom and the Government of the United States are kept informed of the situation in India.

6. The Government of India have also taken steps to ensure that the Indian Air Force is able to deliver messages to the Government of the United Kingdom and the Government of the United States, and that the British Government and the United States Government are able to respond to messages from the Indian Government.

7. The Government of India have also taken steps to ensure that the Indian Air Force is able to deliver messages to the Government of the United Kingdom and the Government of the United States, and that the British Government and the United States Government are able to respond to messages from the Indian Government.

8. The Government of India have also taken steps to ensure that the Indian Air Force is able to deliver messages to the Government of the United Kingdom and the Government of the United States, and that the British Government and the United States Government are able to respond to messages from the Indian Government.

9. The Government of India have also taken steps to ensure that the Indian Air Force is able to deliver messages to the Government of the United Kingdom and the Government of the United States, and that the British Government and the United States Government are able to respond to messages from the Indian Government.

circumstances may arise, or may have arisen in which I ought to remain here. I do not know whether such circumstances have occurred or are likely to occur. Subject to their occurrence I should prefer to return to Malaya.

I would like to add that, for a variety of reasons, I do particularly want as much winter leave as possible, rather than spring and summer leave, and I should be very grateful if Government could allow me go home before Christmas 1939.

C.S.333

20th June, 1939.

CONFIDENTIAL.

District Commissioner,
Haifa & Samaria District.

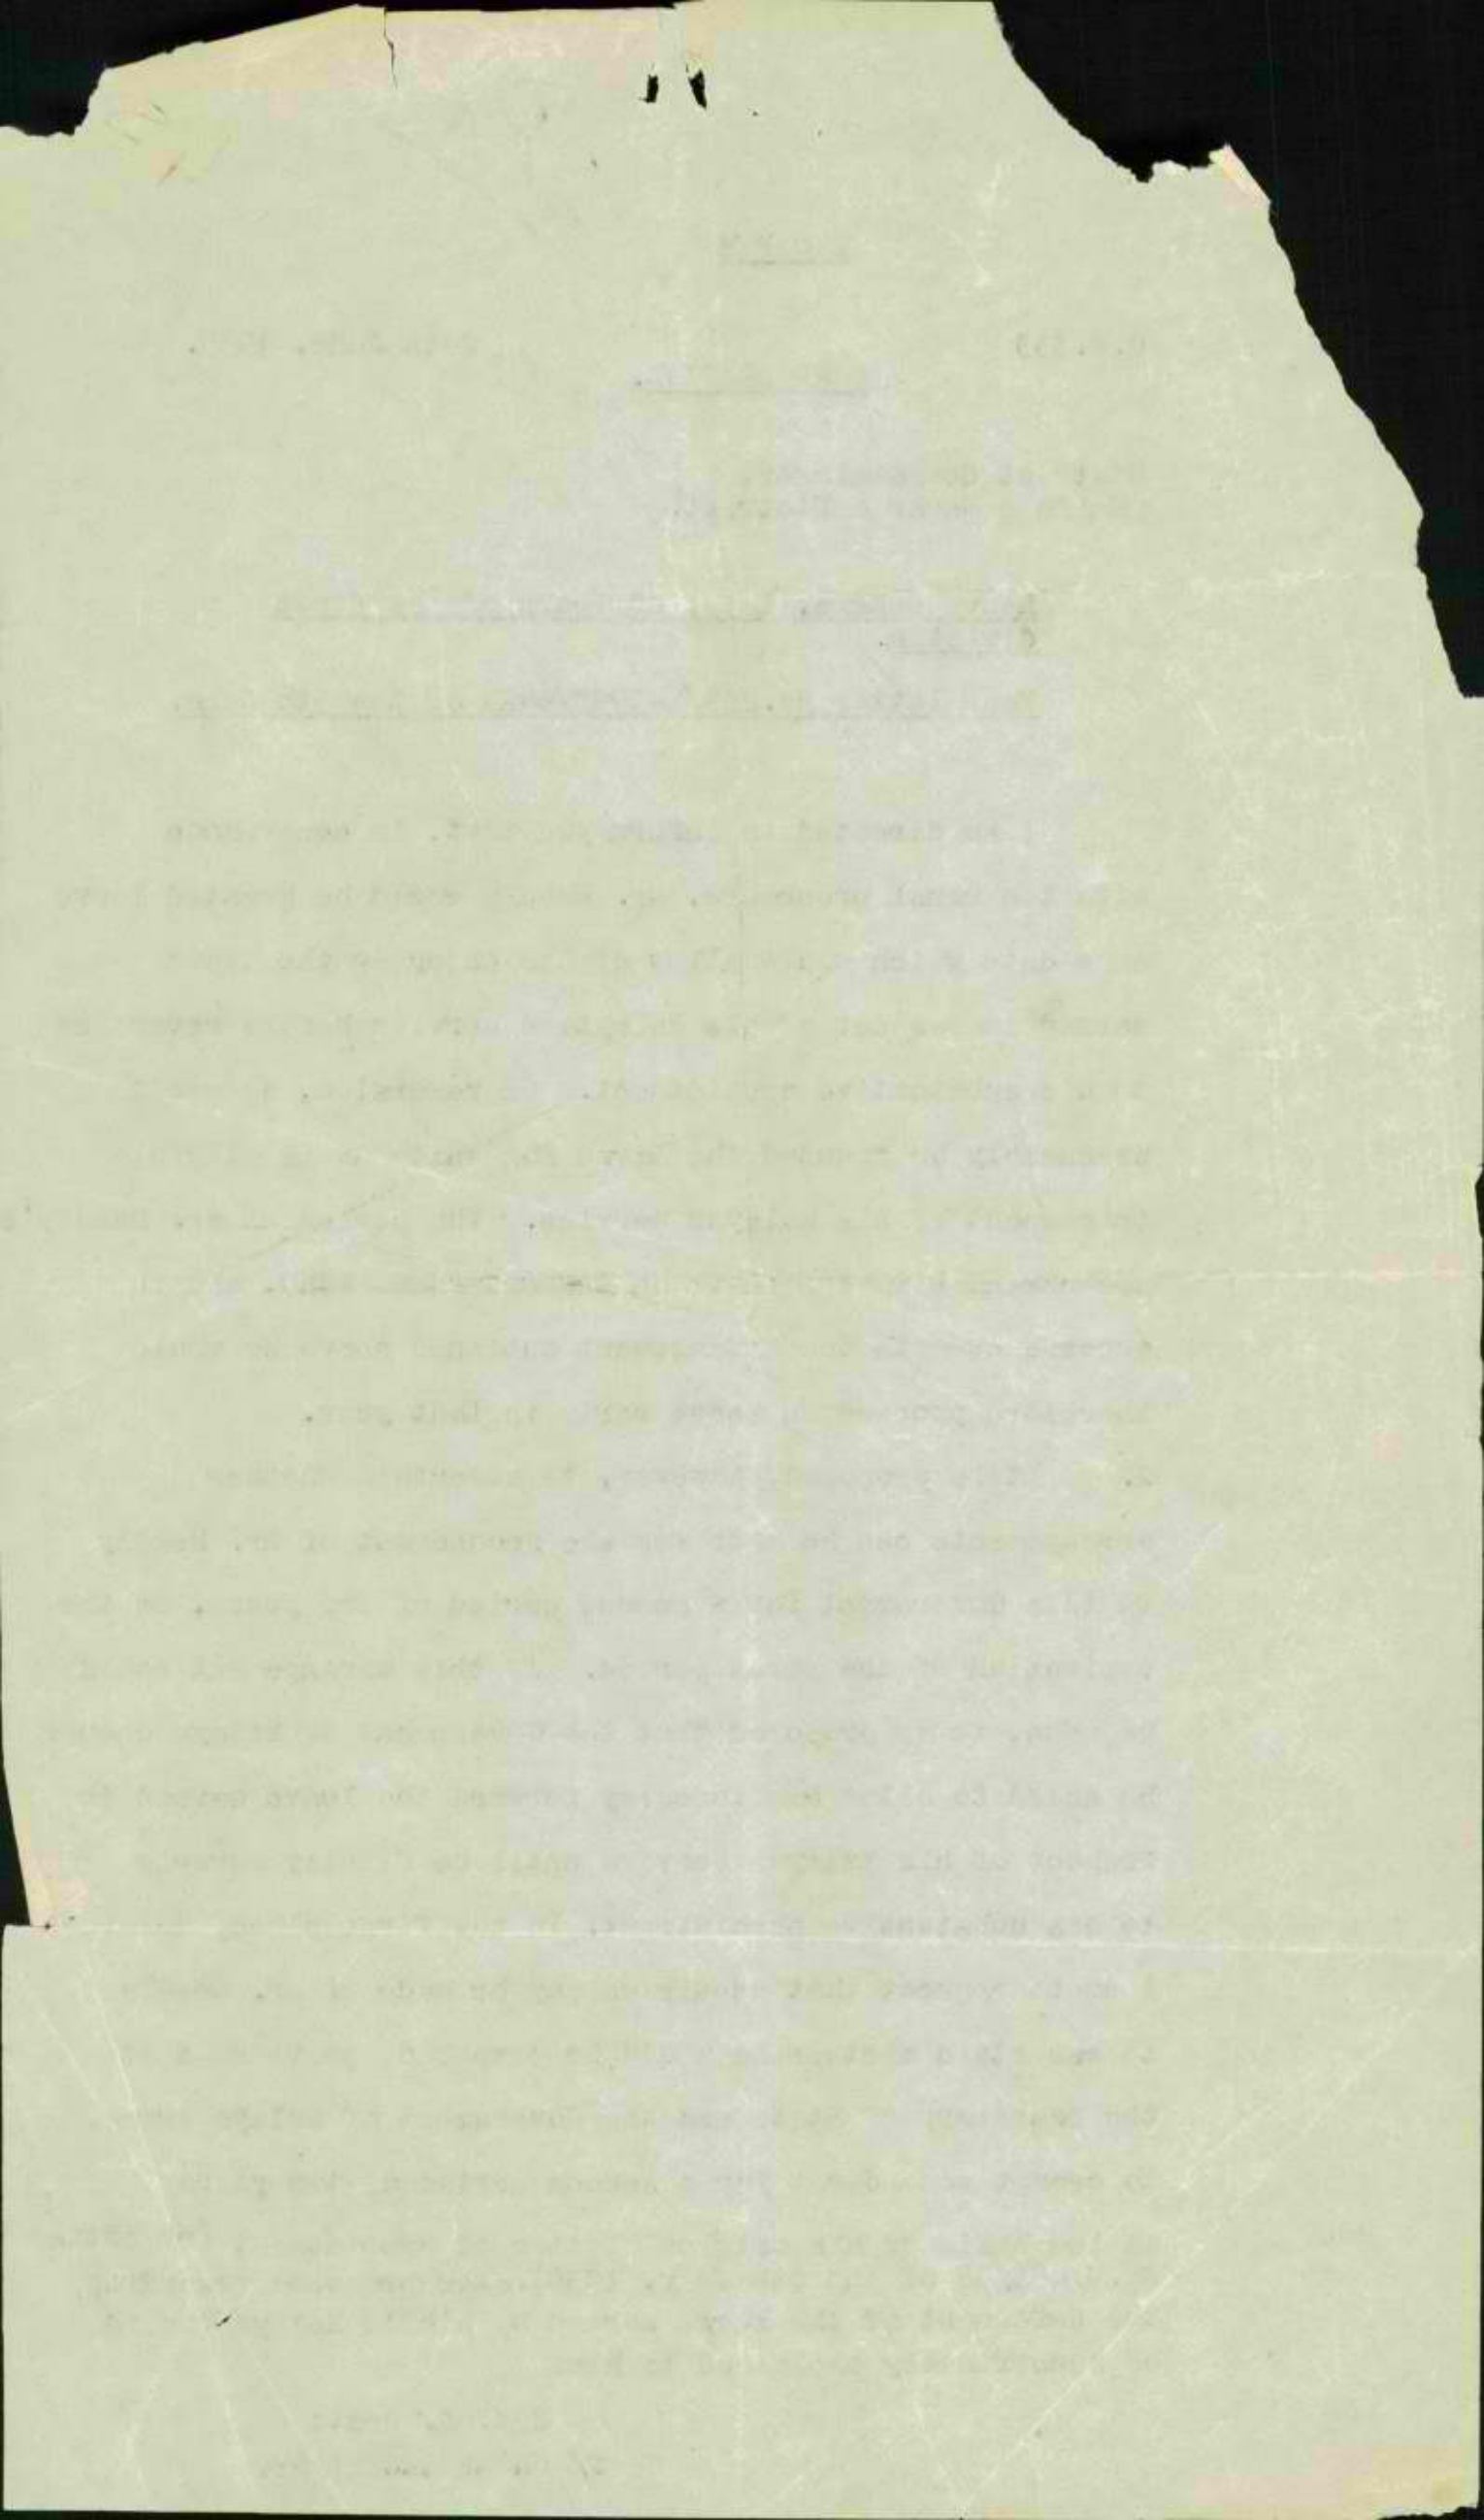

Leave scheme, 1939; officers of the first division.

Your letter No.218/1-1939/9429 of the 5th June.

I am directed to inform you that, in accordance with the usual procedure, Mr. Headly would be granted leave on a date which would allow of his enjoying the leave earned in respect of his Palestine service before reverting to his substantive appointment. On reversion, he would presumably be granted the leave for which he is eligible in respect of his Malayan service. The period of Mr. Headly's secondment will terminate on the 2nd June, 1940, and in accordance with the arrangement outlined above he would therefore proceed on leave early in that year.

2. It is proposed, however, to ascertain whether arrangements can be made for the secondment of Mr. Headly to this Government for a second period of two years, on the expiration of the first period. If this arrangement could be made, it is proposed that the Government of Malaya should be asked to allow him to carry forward the leave earned in respect of his Malayan service until he finally reverts to his substantive appointment. In the first place, however, I am to request that enquiries may be made of Mr. Headly to ascertain whether he would be prepared, provided that the Secretary of State and the Government of Malaya agree, to accept secondment for a second period of two years on the basis of his original letter of appointment (my letter No.U/483/38 of the 8th July, 1938). The proposal regarding the deferment of the leave earned by him in Malaya should be specifically explained to him.

A/District Commissioner,
Samaria District

I am directed to refer to your letter No.122 of the 4th August, 1939, concerning the grant of vacation leave to Mr. D. Headly, Assistant District Commissioner, and to request you to inform Mr. Headly that the Secretary of State has now intimated that he has no objection to Mr. Headly being granted leave forthwith if he still desires it.

2. I am to explain that Mr. Headly's original request for leave in October was conveyed to the Secretary of State in a despatch dated the 23rd of August, 1939, and no reply was received to this despatch until the 27th of October last.

3. I am to request that Mr. Headly may be asked whether in the present changed circumstances, since his original request, he still desires to take vacation leave. The feasibility of meeting his wishes will then be considered.

I should like to amplify my

Since there is now war in

Since I am at present perfectly

feel justified in asking for ~~leave~~
long leave without so I
particularly desire to go.

I would however like to
inquire whether the War would consider
allowing me to add say a fortnight of
my home leave onto my 14 days
local leave in order to give me
a rather longer holiday sometime
next year. In support of this
request it could be argued that
present conditions of Service approximate
to those of locally recruited East

My dear Headley,

I am very sorry to say that the time has come when I must say a regretful "Good-bye" to my great friends of the District Administration as I expect to leave Palestine in a few days' time.

I hardly know how to thank you sufficiently adequately for the way in which you have helped me personally and all my officers who have been associated with you. With you and the Army working hand in hand in perfect fellowship we have, I hope, brought settlement to this country without prejudicing your relationships with the countryside in the future.

If anything constructive towards this end has been achieved - as I earnestly trust it may have been - it has been due to the friendly guidance we have received from you.

Will you therefore accept my deepest personal gratitude and my assurance that whenever one of us has to leave the District in which his association with you has been so close he does so with the keenest regret but happiest recollection of your eager co-operation and kindness.

May the future bring you settled conditions in the countryside with more and more opportunities for the constructive work to which we all know you are looking forward.

Yours very sincerely

I still owe Government LP.137.700 on my present car.

2. The price of the 1940 Ford is LP.360 and I have been offered LP.183 for my present car in part exchange for a new one. This would have a balance of LP.177 to be paid. May I have an additional loan from Government of this sum ?.

3. I wish to do this because I think it will pay me. If I keep my present car for another year the deterioration caused by the roads and tracks of this district will be far greater than that caused in the first year of the car's life.

4. I should be grateful therefore if Government could see its way to loan me another LP.177.

With further reference to my letter No.43 dated 28.2.40 I find that Chief Secretary's Circular No.65 of 1935 lays down in para 4 (b) iii) that the advance cannot exceed 9/10 of the cost of the means of transport or 3 months salary. The cost of the new car is LP.360. 9/10 of this is LP.324 I already owe LP.137 which when subtracted from LP.324 leaves LP.187. I only require LP.177 vide my ~~former~~ letter. If the Standing Committee decides that I may have 9/10 of the purchase price of the car instead of a sum not greater than 3 months salary I am eligible for the loan. I should be most grateful if the Standing Committee might be approached. I would add that the offer of LP.183 which has been made for my present car appears a very reasonable one, and that if I keep the car for a second year depreciation will be relatively very much higher than in the first year and I shall consequently lose money.

2. It will in addition be necessary to get permission to sell my present car. And then a new agreement will have to be made. I should be grateful if the necessary permission could be asked for.

Subject:- Car Advance for Assistant District Commissioner, Tulkarm.

Mr. Headly, Assistant District Commissioner, Tulkarm, wishes to purchase a 1940 Ford car, the price of which is LP.360. He has been offered LP.183 (a very reasonable sum) for his present car, which would leave a balance of LP.177 to be paid for the new one. Mr. Headly asks whether the Government will lend him this sum. As he already owes LP.137 on his present car, his total debt to the Government, if the new loan were granted, would be LP.314, a figure which does not contravene the first alternative given in para 4 b (iii) of Chief Secretary's Circular No.65 of 29-6-35.

If Mr. Headly keeps the car he has for a further year, the deterioration caused by the roads and tracks of Tulkarm will be far greater than that caused in the first years of the car's life, and he will consequently lose money when he finally sells it. I recommend therefore, that the Standing Committee's approval be given for the grant of this further loan of LP.177.

2. In addition, it is necessary for Mr. Headly to obtain permission to sell his present car. I should be grateful if this permission could be given.

"24.—(1) Any officer to whom a pension is granted under the Ordinance/Enactment may, at his option exercisable as hereinafter provided, be paid in lieu of such pension a pension at the rate of three-fourths of such pension together with a gratuity equal to ten times the amount of the reduction so made in the pension.

(2) The option referred to in subparagraph (1) shall be exercisable:—

- (a) in the case of an officer to whom, if retired on the ground of ill-health, a pension might be awarded by reason only of the taking into account under paragraph 18 of non-pensionable service or service paid for out of an open vote, not later than six months from the date when he receives notice of the approval of the Governor/High Commissioner for taking such service into account, or the 31st December, 1940, whichever shall be later;
- (b) in the case of an officer who is transferred to service on the Malayan Establishment from other public service, not later than thirteen months after the date of his transfer or one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under these minutes, or the 31st December, 1940, whichever shall be later;
- (c) in the case of any other officer, not later than one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under these minutes, or the 31st December, 1940, whichever shall be later:

Provided always—

- (i) that an officer who has previously had the opportunity of exercising the option but has not done so, may, if he subsequently marries, and is still in the service as an officer of the Malayan Establishment or in any other public service, apply to the Governor/High Commissioner not later than one month after the date of his marriage for permission to exercise the option, which option may be granted at the Governor/High Commissioner's discretion after examination of the officer by a medical board, and upon the grant of such permission the option shall be deemed to have been exercised.
- (ii) that the date of the exercise of the option shall be deemed to be the date of the receipt of his written notification addressed either to the officer in charge of the Malayan Establishment Office in Singapore or to the Crown Agents for the Colonies; or, in any case falling under the preceding proviso, the date on which the Governor/High Commissioner grants permission to exercise the option; and
- (iii) that where any officer has been prevented through no fault of his own from exercising the option conferred by this paragraph, the Governor/High Commissioner may extend in respect of such officer the term within which such option must be exercised for such period as may be necessary to enable him to exercise the same; and
- (iv) that if an officer has exercised such option as aforesaid or has not exercised such option within the prescribed time or the extended time under the last preceding proviso, his decision in either case shall be irrevocable; except that when an officer retires or is removed from the service in consequence of the abolition of his office or for the purpose of facilitating improvements in the department to which he belongs by which greater efficiency or economy can be effected, he may, within such time as the Governor/High Commissioner approves, reconsider his previous decision and either revoke his previous exercise of the option or exercise the option as the case may be."

3. Any officer who was on the Malayan Establishment prior to the 1st January, 1940, and had not retired before that date, should note that, for the purposes of the Malayan Establishment Pension Minutes, he is regarded as if he had previously had no opportunity of exercising the option to receive a gratuity and reduced pension. If therefore he desires to obtain a gratuity and reduced pension upon retirement from the public service, he should notify the officer in charge of the Malayan Establishment Office in Singapore accordingly within the period stated in paragraph 24 (2) of the Minutes applicable to his particular case.

4. The procedure to be followed if an officer desires to exercise the option under the Minutes is laid down in M.E.O. Circular No. 2 of 1940 which is published simultaneously with this Circular.

By Command,

C. R. HOWITT,
Ag. Malayan Establishment Officer.

M.E.O. CIRCULAR No. 2 of 1940

(M.E.O. 1373/39)

MALAYAN ESTABLISHMENT OFFICE,

SINGAPORE, 15th January, 1940.

EXERCISE OF OPTION UNDER PARAGRAPH 24 OF THE MALAYAN ESTABLISHMENT PENSION MINUTES

With reference to M.E.O. Circular No. 1 of 1940 which is published simultaneously with this Circular, Heads of Administrations and Departments are requested to draw the attention of all officers who are on the pensionable establishment or who, under the schemes governing their employment, may become eligible for appointment to the pensionable establishment at some later date, to the provisions of paragraph 24 of the Malayan Establishment Pension Minutes which has replaced Pension Regulation No. 16 made under the provisions of Straits Settlements Pensions Ordinance (Chapter 78) and Pension Regulation No. 15 made under the provisions of Federated Malay States Pensions Enactment (Chapter 23).

2. The option previously exercised by an officer on the Malayan Establishment who had not retired prior to the 1st January, 1940, to accept on retirement a gratuity and reduced pension under the Straits Settlements Pensions Ordinance or the Federated Malay States Pensions Enactment is regarded as rescinded, so that if such an officer desires to exercise the option he must opt anew under the above-mentioned paragraph of the Malayan Establishment Pension Minutes.

3. To ensure that each officer concerned is cognisant of the provisions of paragraph 24 of the Malayan Establishment Pension Minutes a signed acknowledgment in the form "A" (M E O 56) attached should be obtained from him. It should be explained to every officer (a) that he may exercise his option at any time during his service not later than one month after he has attained pensionable status or the 31st December, 1940, whichever is the later date, and (b) that such exercise of the option does not in any way give an officer a claim to be placed on the pensionable establishment or affect the date on which he attains pensionable status.

4. Officers who desire to exercise the option should be requested to fill in and sign the form "B" (M E O 57) attached, in duplicate, which should be forwarded to the officer in charge of the Malayan Establishment Office as soon as completed, *i.e.*, at any time before the expiry of one month after the attainment of pensionable status or the 31st December, 1940, whichever is the later date. An entry should be made at the same time in the departmental record of service of the officer, recording the fact of such exercise of the option. After the form has been completed in the Malayan Establishment Office the duplicate copy will be returned for delivery to the officer.

5. An officer who desires to apply for permission to exercise the option under proviso (i) of sub-paragraph 24 (2) of the Malayan Establishment Pension Minutes should be requested to make the application in the form "C" (M E O 58) attached, in duplicate. An entry should also be made in the departmental record of service in the same way as in the case of form "B" (M E O 57) on approval of the application. The duplicate copy will be returned after completion in the Malayan Establishment Office for delivery to the officer.

6. Should any officer who has signed the forms "B" (M E O 57) or "C" (M E O 58) in duplicate, fail to receive the completed duplicate copy within two months of the date on which he made his declaration he should at once communicate the fact to the officer in charge of the Malayan Establishment Office through the usual channels.

7. Officers on leave or officers who have been transferred from the Malayan Establishment to other public service since the 1st January, 1934, should send their notification either to the Crown Agents for the Colonies or to the officer in charge of the Malayan Establishment Office in Singapore.

8. Copies of forms "A" (M E O 56), "B" (M E O 57) and "C" (M E O 58) may be obtained on application to the Superintendent, Government Printing Office, Singapore.

By Command,

C. R. HOWITT,
Acting Malayan Establishment Officer.

This circular appears to be silent on the question of passage for officers proceeding to places other than Cyprus and Egypt on interior leave. Since I have now completed over two years in Palestine I should in peace time be eligible for return free passage to England. I should be grateful if Govt. might be asked whether in the present circumstances the expenses of my journey to India up to the value of the return journey to England might be paid by Govt. My actual expenses were £.104-9-0 e.g. £57 to ~~Amrit~~ JODHPUR and £.47 Krachi to Lydda and 19s. excess baggage charges.
